Before you can go again, make sure that you have discussed at least one question from each category.

Instructions:

1. Roll the dice and move your token accordingly.
2. Draw a card from the category your token lands on.
3. Discuss the question on the card as long as needed.
4. Note down the main outcomes of your discussion in the action plan and identify barriers, challenges and potential solutions.
5. Repeat step 1-4.
